

SOC Retirement Form

If you have retired from working in the industry and would like to maintain your SOC membership you may choose to become a **Retired Member**. As a **Retired Member**, you maintain all the benefits of Active membership except you do not retain voting rights nor can you serve on the SOC Board of Governors. If you are no longer working in the industry but still wish to retain your voting rights and right to serve on the Board of Governors, you may continue as an Active member. There is no requirement to change your membership category.

There is a **\$50** yearly administrative fee that will take place of your Active dues. As a retired member, if you begin working again, you must notify the SOC and apply for reinstatement at the former level of membership.

Please fill out and sign the contract below and submit to socoffice@soc.org or send through the mail to **PO Box 2006, Toluca Lake, CA 91610**. Your retirement contract will be reviewed by the membership committee.
