

# PAYMENTS

## Processing a Membership Payment through your “Profile.”

The easiest way to process a membership payment is by logging onto the SOC Membership Portal. Once you log into the portal you will be at the member profile page.

Your expiration date is listed on your member profile.

- If you need to renew, you will have a Renew Membership next to the expiration date.
- If your membership is current, then the expiration field will have your expiration date. (For Example: July 1, 2022)

The screenshot shows a web browser window displaying the SOC membership portal. The page title is "Society of Camera Operators Members". The user is logged in as "ANGELA@AMDCONSULTING.BIZ". The page shows the user's membership information, including the SOC logo, the organization name "Society of Camera Operators", and a description of the organization. - Member Directory: <https://www.joinit.org/o/society-of-camera-operators/directory>
- Benefits:
  - Use of SOC Initials after your name for camera operating screen credits only

- Enter credit card CVC (3 digits on the back of the Visa/MC or 4 digits on the front of the Amex).
- If you wish to update your skills, additional skills, race/ethnicity, sexual orientation, or gender identity you may do so before you enter your credit card details.
